

Biography for **Aamoo niini**:

My name is Bishop Davis. My native name is Aamoo niini (Bee man). I have been Hoop Dancing since I was 8 years old. I have competed at the National hoop dance competition in Arizona. I have danced at many of the Pow-wows here in Michigan. I am now dancing for the bees. The bees are in trouble and need our help. I dance with the hope that the plight of the bee will be brought to light and keep them from perishing from our planet.
